

## Ukraine Trip Emergency Contact Info

**Keep in mind trip updates will be posted at [www.liftupyoureyes.org](http://www.liftupyoureyes.org)**

US / Canada Dialing instructions: dial country code 38, then the numbers below. Sometimes I find it helps to NOT dial to fast, at a steady medium pace. Pause for just a second after dialing the country code.

If you get an error message in Russian, that means you successfully connected however the number you are trying to reach is not ON or available at that time. Try again later or select an alternative number below:
